## 7th and 8th grade 2018-2019 BASKETBALL :

Dead line 11/16 or a \$25.00 Late fee.

7th and 8th grade HYAL basketball is a developing program for players who make the school team or not. The middle school B.B season is short and often players do not get a lot of playing time. Players who are interested can play both, school and hyal. Hyal season starts in November and ends in late Feb. early March. The program will also offer players who love basketball but did not make the team an opportunity to continue to play the game they love. The format will be determined by how many players register. If we get enough for several teams it will adapt the 5th and 6th grade HYAL format and games will take place on Sat. If not, players will get together once or twice a week for skills and in house games.
